Rain checks for league play will not be issued. A rain-out or stoppage of play will result in the league being extended by one week at the end of the season for each occurrence. The league secretary must call in to the Golf Shop to verify all such extensions. All such extensions will be played on the designated league days and times.

League members are allowed to play a "Pre-9" on league nights only at a discount. The "Pre-9" rate will be \$10, which includes a cart. All such rounds will require a tee time. All leagues are expected to be on time for their tee times in accordance with FVCC policies. Any league that fails to arrive on / before their designated starting time may be asked to wait for the following leagues to tee or before starting play. All tee times are set in EIGHT (8) minute intervals. Please be on time on your league night!

All golf course regulations must be observed and obeyed by all league members. Fix all ball marks on the greens, replace divots, rake sand traps, and most importantly, avoid slow play! Please keep up with the group in front of you! We want all league members to have a memorable experience at FVCC. If a group has fallen behind normal pace of play, Rangers will be around to remind them to keep up with the group in front of them. If a group falls more than 2 holes behind, they will be asked to skip the next hole to catch up. The standard pace of play for 9 holes at FVCC is 2 HOURS and 15 MINUTES (2:15).

Any and all alcoholic beverages must be purchased on site at FVCC. **No outside coolers are allowed on the golf course.**

Proper golfing attire is required at all times by league members. No jeans, athletic shorts, sandals, tank tops, or sandals will be permitted. Shirts and shoes must be worn in order to enter the Clubhouse.

Any abuse of the above regulations will result in the removal of any uncooperative league members and possible forfeiture of any future league play at FVCC.
